Re: Letter of Support  
Stanislaus National Forest and Calaveras Ranger District

On behalf of the Calaveras County Board of Supervisors, we encourage your support for the grant applications for:

OHV Recreation Sites and Facilities  
Stanislaus OHV Law Enforcement  
Stanislaus OHV Restoration

The Stanislaus National Forest and the Calaveras Ranger District are an integral part of Calaveras County and its communities. They are our partners in our recreation economy for both the residents and our many visitors. Grant funds have assisted with trail repair, enforcement of trail usage, and restoration activities.

With recent impacts due to inclement weather and the increased usage of national forest trails, these grants will assist the Stanislaus National Forest, the Calaveras Ranger District, and our local communities by ensuring the delivery of vital services and improvements necessary to provide continued support for the many OHV trails that are enjoyed by our residents and visitors to the region.

We look forward to your support of these grant applications.

Respectfully,

  
John "Jack" Garamendi  
Chair, Board of Supervisors
